Cochin University Campus, Kochi – 682 022

Four Day Training Programme on Laboratory Quality Management System and Internal Audit as per ISO/IEC 17025: 2017

18 to 21 December 2023

Sophisticated Test and Instrumentation Centre (STIC) is an NABL accredited laboratory jointly established by Kerala State Council for Science, Technology and Environment (KSCSTE) and Cochin University of Science and Technology (CUSAT). STIC announces a 4-day training program on Laboratory Quality Management System (LQMS) from 18-21 December 2023.

This four-day training programme is intended to provide personnel working in laboratories in the areas of instrument calibration, food and chemical testing. This comprehensive training is intended to make the personnel conversant with the requirements for implementing the relevant standards and to build competence to conduct the internal audits. Special thrust will be given in the areas of equipment and method validation, standard maintenance, QA control, uncertainty measurement and application of decision rule.

The resource person for this programme is a trained auditor who has undergone extensive training and working experience in the subject field and has conducted a number of programmes in this area in India and abroad. Lecture sessions, group exercises, mock audit and final evaluation test are part of the programme.
